14.3 The Supplier shall be responsible for the acts and/or omissions of the sub- contractors as though they are his (the Supplier) own.

14.4 Where the Buyer has consented to the placing of sub-contracts the Supplier shall ensure that the Buyer has the benefit of step-in rights as a third party in all sub-contracting arrangements which the Supplier has or will enter into to fulfil orders for goods and/or services placed by the Buyer. Such sub-contracting arrangements will clearly identify the Buyer; expressly provide a right for the Buyer to enforce the terms of the agreement. Copies of each sub-contract shall, at the request of the Buyer, be sent by the Supplier to the Buyer as soon as reasonably practicable.

14.5 The Buyer shall be entitled to assign, novate or otherwise dispose of its rights and obligations under this agreement or any part thereof to other buyers or any other body which substantially performs any of the functions that previously had been performed by the Buyer.

15. RIGHTS OF THIRD PARTIES

17.1 Before the commencement date the Supplier shall provide a performance security covering the performance of his obligations.

18.1 The Buyer or its authorised representatives may inspect or test the goods/services either complete or in the process of manufacture/provision on reasonable notice at the Supplier's premises and the Supplier shall provide all reasonable assistance in relation to any such inspection or test free of charge.

18.2 The issuance by the Buyer of a receipt note for the goods shall not constitute any acknowledgement of the condition, quantity or nature of those goods. No failure to make a complaint at the time of any such inspection or test and no approval given during or after such inspection or test shall constitute a waiver by the Buyer of any rights or remedies in respect of the goods and the Buyer reserves the right to reject the goods once it is discovered that they do not meet the requirements or good industry practices and standards. Any goods rejected or returned by the Buyer shall be returned to the Supplier at the Supplier's risk and expense.

18.3 The Buyer may reject any of the goods which fail to conform to the approved sample or fail to meet the contract specifications. If the Buyer rejects any of the goods pursuant to this clause the Buyer may without prejudice to other rights and remedies either:

a) have such goods promptly replaced by the Supplier with goods which conform in all respects with the approved sample or with the purchase order requirements and due delivery shall not be deemed to have taken place until such replacement has occurred, or;
b) Treat the agreement as discharged by the Supplier's breach and obtain a refund from the Supplier in respect of the goods concerned together with payment of any additional expenditure reasonably incurred by the Buyer in obtaining other goods in replacement provided that the Buyer uses its reasonable endeavours to mitigate any additional expenditure in obtaining replacement goods.

18.6 The Buyer shall appoint a supervising official who shall ensure whether the Supplier supplied goods or is providing services meeting specifications or the service level agreement provided for in the contract. Whenever the supervising official finds that goods supplied or services provided are substandard he shall make a report thereon specifying areas that need improvement. The Buyer shall notify the Supplier of the non-performance or poor performance and require him to correct the identified defects within the time period agreed upon for that purpose.

19. FORCE MAJEURE

19.1 Neither party shall be liable to the other for any delay in performing, or failure to perform, its obligations under the agreement to the extent that such delay or failure is a result of force majeure. Notwithstanding the foregoing, each party shall use all reasonable endeavours to continue

to perform its obligations under the agreement for the duration of such force majeure. However, if such force majeure prevents either party from performing its material obligations under the agreement for a period in excess of 6 months, either party may terminate the agreement with immediate effect by notice in writing.

19.2 If either party becomes aware of a force majeure event or occurrence which gives rise to or is likely to give rise to any such failure or delay on its part it shall notify in writing within the period stipulated in the special conditions of the agreement.

20. PAYMENT MODALITIES

20.1 The Buyer shall pay all sums due to the Supplier to the account and within the time period to be **stipulated in special conditions of the agreement** from the receipt of a valid and supported invoice.

20.2 The Supplier shall ensure that each invoice contains all appropriate references and a detailed breakdown of the goods and/or services supplied and that it is supported by any other documentation reasonably required by the Buyer to substantiate the invoice.

20.3 The Supplier shall ensure that prices he quoted include all the expenses required, taxes and duties, levies applicable, except when they are expressly excluded or exempted by a specific law.

22. CONTRACTUAL LIABILITY

22.1 In case a central procuring entity enters into an agreement on behalf of other procuring entities, the Supplier acknowledges that each Buyer shall be independently responsible for the conduct of its issuance of purchase orders. The Buyer (central procuring entity) shall not be accountable for and shall have no liability whatsoever in relation to the conduct of other Buyers in relation to this agreement; or to non-execution of any purchase order by other Buyers entered into pursuant to this agreement.

22.2 The supplier acknowledges that he shall be responsible for his actions, omissions, those of his staff and sub-contractors in regard with this agreement and with the purchase order

23. PROVISION OF INFORMATION

23.1 Parties shall reasonably exchange comprehensive information necessary for the execution of the agreement.

a) treat all confidential information belonging to the other party as confidential and safeguard it accordingly;
b) not disclose any confidential information belonging to the other party to any other person without the prior written consent of the other party, except to such persons and to such extent as may be necessary for the performance of the agreement or except where disclosure is otherwise expressly permitted by the provisions of the agreement.

24.4 Nothing shall prevent the Buyer (s) disclosing any confidential information obtained from the Supplier (i) for the purpose of the examination and certification of the Buyer's accounts, (ii) for the purpose of any examination by the Buyer's auditors of the economy, efficiency and effectiveness with which the Buyer has used its resources, (iii) for the purpose of debarment procedures or any other procurement investigations, (iv) for the purpose of another contract (s) whose preparation and/or performance depend on the protected information.

24.5 In the event the parties fail to comply with provisions on confidentiality, the aggrieved party reserves the right to terminate the agreement with immediate effect by giving notice in writing to the defaulting party.

25. CORRUPT GIFTS AND PAYMENTS OF COMMISSION

25.1 The Supplier shall not offer or give, or agree to give, to any employee, agent, servant or representative of the Buyer, or any other public body or person employed by the Buyer, any gift or consideration of any kind which could act as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to this agreement, or the purchase order,

25.2 If the Supplier, its staff or any person acting on the Supplier's behalf, engages in conducts prohibited by the preceding clause or commits any offence or violation, the Buyer may recover in full from the Supplier who shall indemnify him for any other loss he (Buyer) shall have sustained in consequence of any breach of this clause, whether or not the agreement has been terminated.

26. TERMINATION

26.1 Termination for Default

26.1.1 The Buyer may terminate this agreement by serving written notice on the Supplier with effect from the date specified in special conditions of the agreement when:

a) the Supplier fails to deliver any or all of the ordered goods and/or services within the period specified in special conditions of the agreement or in the purchase order, or within any additional time period granted by the Buyer(s);
b) in the discovery and judgement of the Buyer, the supplier has engaged in fraud and corruption during competition for an agreement or during the execution of this agreement or a purchase order;

d) the material default is not, in the reasonable opinion of the Buyer, capable of remedy;
e) Where the Buyer acknowledges that as a consequence of default by the Supplier, another Buyer terminates a purchase order (s) which was issued to the Supplier under this agreement.

26.1.2If the Buyer fails to pay the Supplier undisputed sums of money when due, the Supplier shall notify the Buyer in writing of such failure to pay. If the Buyer fails to pay such undisputed sums within a time period, specified in special conditions of the agreement, of the date of such written notice, the Supplier may terminate the agreement in writing with immediate effect, save that such right of termination shall not apply where the failure to pay is due to the Buyer exercising its rights of recovery of sums due to him by the Supplier.

26.2 TERMINATION FOR FINANCIAL STANDING

26.2.1 The Buyer may terminate this agreement by serving a written notice on the Supplier with effect from a time specified in special conditions of the agreement or in the notice where (in the reasonable opinion of the Buyer), there is a material detrimental change in the financial standing and/or the credit rating of the Supplier which adversely impacts on the Supplier's ability to supply goods and/or services under this agreement.

26.3 TERMINATION FOR INSOLVENCY

26.3.1 The Buyer may terminate this agreement with immediate effect by notice in writing where the Supplier is a company and becomes bankrupt or otherwise insolvent, acquired by or merged with another company.

26.4.2 The notice of termination shall specify that termination is for the Buyer's convenience and that the Supplier shall not claim for any compensation. However, goods and/or services that shall be ordered before the termination notice and which shall be ready for delivery or provision within one month after the termination notice, they shall be accepted by the Buyer or by any other Buyer (s) who may have ordered them but if and only if they meet required specifications or service level agreement.

27. CONSEQUENCES OF TERMINATION AND EXPIRY

27.1 Notwithstanding the service of a notice to terminate the agreement, the Supplier shall continue to fulfil his obligations under the agreement until the date of its expiry or termination or until another date that may be agreed upon by parties in writing.

27.2 Termination or expiry of the agreement shall not cause any outstanding purchase order to terminate automatically. For the avoidance of doubt, all outstanding purchase orders shall remain in force unless and until they are terminated or expire in accordance with their own terms or unless the notice for termination of the agreement states that it is also to constitute notice terminating all purchase orders between the Buyer (s) and the Supplier.

27.3 Within a time period to be stipulated in special conditions of the agreement, where applicable the Supplier shall return to the Buyer any data and confidential information belonging to the latter in his (Supplier) possession, power or control, either in its then current format or in a format nominated by the Buyer (in which event the Buyer will reimburse the Supplier's reasonable data conversion expenses), together with other related documentation, and any other information and all copies thereof owned by the Supplier.

27.4 Termination or expiry of this agreement shall be without prejudice to any rights, remedies or obligations of either party accrued under this agreement prior to termination or expiry.

28. ENTIRE AGREEMENT

29.2 Any notice or other communication which is to be given by either party to the other shall be given by letter sent by hand, post, registered post or by the recorded delivery service, by facsimile transmission or electronic mail. Such letters shall be addressed to the other party to the address specified in special conditions of the agreement. Provided the relevant communication is not returned as undelivered, the notice or communication shall be deemed to have been given after a time period specified in the special conditions of the agreement.

29.3 In case any of parties changes its address, it shall inform the other. The Supplier accepts that changing his address without informing the buyer shall lead to his debarment in public procurement proceedings.

30. DISPUTE RESOLUTION

30.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the agreement. Within a time period to be stipulated in special conditions of the agreement parties shall meet in order to try and resolve the dispute
