Query	Clarification
<p>Kaspersky Antivirus has several options of solution i.e Kaspersky Antivirus and Kaspersky Internet Security are home edition users (which would not offer the optimal security for a government network)</p> <p>Kaspersky Endpoint security for business has several options; kindly find the attached list of solutions. Kaspersky endpoint security for Business is the best solutions for enterprise network i.e. government. Due to complexity of each infrastructure and every network is different, giving a definite pricing would be a limitation; Secondly pricing are bundles depending with number of users and the solution i.e. pricing bundle for a network 100 Users is different from a network of 1000 Users. Attached price list plan.</p> <p>With above recommendations, kindly advise if the tender can be open without pricing.</p>	<p>Option to be used: Kaspersky antivirus essential protection for your pc.</p>
