

Clarification:

TENDER NUMBERS: MOICT/SDICT/125/2020-2021 & MOICT/SDICT/126/2020-2021

Supply and delivery of Printer Type 1, As and When Required, for Financial Years 2020/2021 and 2021/2022 & Supply and delivery of Printer Type 3, As and When Required, for Financial Years 2020/2021 and 2021/2022

The clarification is as follows:

Response to Concerns

The specifications were generic and not targeting any particular model

Speed	Up to 80/40 pages A4/A3 per minute	On high end office machine categories, we said up to 80 /40, it means speed can be 80 and above, it was not targeted to particular model, (e.g. a number of manufacturers have such speeds). The higher speeds, the more advantageous for the bidder.
Features	Scan-once-copy-many, electronic sort, 2in1, 4in1, image repeat, page numbering, cover mode. booklet copy, interrupt copy, form overlay, margin shift, auto cassette change, Skip blank page, ID copy in Program mode	Industry stands on Scan features are quite common , like scan once and print many , printing two pages on one page and 4 page on one page , image repeat , page number , etc..
Function	Scan to e-mail, Scan to FTP, Scan to SMB, Scan to USB Host, Scan to box, Network TWAIN, WIA/WSD scan	Scan features are the normal functions as of scanning directly to mail from the Multifunctional Printer , scanning to FTP server/ SMB server/USB /Mail Box , Twain and Network scanning,
Speed min	210 images per minute	Even other Manufactures have the speed of 210 and above.

The second document had similar considerations

Speed	Up to 82 PPM B&W & 70 Colour A4 Per Minute /Up to 41 PPM B&W 35 Colour A3 Per Minute	On Color Categories we said up to 82, which means any bidder can quote up to 82 or below, and one A4 size it is calculated half of A3, which is 41 & 35 respectively. We have examined KYOCERA and the speed is 83 ppm
Print Resolution	1200 * 1200 dpi (Print) , 600 * 600 dpi (Scan /Copy)	The general resolution is, 600 by 600 dpi, 1200 x 1200 dpi & 4800 x 1200 dpi. Kyocera Specifications according to brochure is equivalent to 4,800 dpi × 1,200 dpi,"

Continuous copying	1 – 9,999,	On the high end heavy duty color or mono categories, it is industry stand to copy once max of 9,999, that is almost 10k copies .
Features	Scan-once-copy-many, electronic sort, 2in1, 4in1, image repeat, page numbering, cover mode. booklet copy, interrupt copy, form overlay, margin shift, auto cassette change, Skip blank page, ID copy in Program mode	Industry stands on Scan features are quite common , like scan once and print many , printing two pages on one page and 4 page on one page , image repeat , page number , etc..

In conclusion, the sequence of wordings do not give undue advantage on any bidder.
