PUBLIC CONSULTATION ON THE DRAFT NATIONAL ACCESS TO INFORMATION POLICY

Access to Information is a fundamental human right enshrined under Article 35 of the Constitution and has been legislated through the Access to Information Act, 2016. The Ministry of Information, Communications, and the Digital Economy is required by the Access to Information Act, 2016 to develop, review and lead policy implementation on access to information. The Commission on Administrative Justice is mandated to oversee and enforce implementation of the Access to Information Act, 2016.

In order to enhance implementation of access to information in Kenya and thus enable transparency and accountability in public service, The Ministry in collaboration with the Commission constituted a Multi-Stakeholder Committee to develop the National Access to Information Policy and conduct public consultations on the same in accordance with the Constitutional principle of Public Participation.

Consequently, the Multi-Stakeholder Committee developed the draft National Access to Information Policy and hereby invites ALL stakeholders to submit their inputs and comments to enhance the Policy by downloading the Draft Policy at the Ministry's website: <https://ict.go.ke> and the Commission on Administrative Justice's website: <http://www.ombudsman.go.ke>
